

20 September 2011

Dear Parent/Carer,

We are writing to invite you and your son/daughter to our 'Sixth Form and Post 16 Opportunities Evening' on Tuesday 27th September.

During this evening you will be given general information regarding Post 16 choices as well as the opportunity for parents and students to speak to different subject teachers about the courses on offer at Mangotsfield Sixth Form and within the wider Kingswood Partnership centres.

We strongly recommend attending this event to **all students in Year 11** as part of the wider information advice and guidance provided through lessons and the Year 10 opportunities day last summer. There are further events in the calendar that will also help students plan for their future including the Ambitions Event on the 19th October at UWE Conference Centre where colleges, training providers and employers will be present.

We hope you will consider Mangotsfield and the Kingswood Partnership because of the success students have in our sixth form. Most importantly, we want to help all students decide on the options they need to consider as a motivation in preparing themselves for GCSE examination success.

The evening begins at 7.00 pm when there is an introduction and talk in the main hall, following this all subject areas (both at level 2 and 3) will be available to discuss the courses they are offering in 2012 along with any individual questions you may have. Kingswood Partnership staff will be available to answer queries. We will also have 2 Connexions careers advisers available to help with information relating to other colleges and centres and also staff from UWE to help with general enquiries relating to Higher Education.

The new Sixth Form Prospectus will be available on the evening. If for any reason you cannot attend, but would like a copy of the prospectus, please let us know.

We look forward to seeing you on Tuesday.

Yours faithfully

Richard Badley
Headteacher
