

28 January 2010

Dear Parents and Carers,

**Safety in the Local Area**

Unfortunately, two incidents have been reported which I wish to inform you of.

1. A man in a white delivery van has been reported approaching female students.
2. Yesterday evening, after dark, a man exposed himself on Rodway Common.

Police have been informed and are dealing with both these incidents. Please discuss them with your son/daughter and encourage them to protect their own safety as follows:-

- To walk in a group whenever possible
- When waiting for a lift, to stay in the school grounds until the lift arrives, especially after dark
- If in doubt, to return to school and speak to a member of staff
- To report any concerns

Please let us know any way we can help.

I take this opportunity to ask you to be careful in parking near the school. Please do not turn or wait in the school entrances. Please encourage your son/daughter to use the pelican crossing.

Yours sincerely,

Richard Badley  
Headteacher
